

ERCC1 Antibody

Rabbit mAb Catalog # AP91099

Specification

ERCC1 Antibody - Product Information

Application WB, IHC, ICC Primary Accession P07992 Clonality Monoclonal

Other Names

COFS4; DNA excision repair protein ERCC-1; ERCC1; UV20; RAD10;

Isotype Rabbit IgG
Host Rabbit
Calculated MW 32562 Da

ERCC1 Antibody - Additional Information

Dilution WB~~1:1000

IHC~~1:100~500

ICC~~N/A

Purification Affinity-chromatography

Immunogen A synthesized peptide derived from human

ERCC1

Description

DNA repair systems operate in all living cells to manage a variety of DNA lesions.

Nucleotide excision repair (NER) is implemented in cases where bulky helix-distorting lesions occur, such as those brought about by UV and certain chemicals. Research studies have shown

survival rate and response to

chemotherapeutic drugs in several human

cancers including non-small cell lung

that expression of ERCC1 is related to

cancer (NSCLC).

Storage Condition and Buffer Rabbit IgG in phosphate buffered saline,

pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. Store at +4°C short term. Store at -20°C long term. Avoid

freeze / thaw cycle.

ERCC1 Antibody - Protein Information

Name ERCC1

Function

[Isoform 1]: Non-catalytic component of a structure-specific DNA repair endonuclease responsible for the 5'-incision during DNA repair. Responsible, in conjunction with SLX4, for the first step in the

repair of interstrand cross-links (ICL). Participates in the processing of anaphase bridge-generating DNA structures, which consist in incompletely processed DNA lesions arising during S or G2 phase, and can result in cytokinesis failure. Also required for homology-directed repair (HDR) of DNA double-strand breaks, in conjunction with SLX4.

Cellular Location

[Isoform 1]: Nucleus [Isoform 3]: Nucleus

ERCC1 Antibody - Protocols

Provided below are standard protocols that you may find useful for product applications.

- Western Blot
- Blocking Peptides
- Dot Blot
- Immunohistochemistry
- Immunofluorescence
- <u>Immunoprecipitation</u>
- Flow Cytomety
- Cell Culture

ERCC1 Antibody - Images

Western blot analysis of ERCC1 expression in HeLa cell lysate.
