

Phospho-GLUT4 (S488) Antibody Rabbit mAb Catalog # AP93244

Specification

Phospho-GLUT4 (S488) Antibody - Product Information

ApplicationWBPrimary AccessionP14672ReactivityRatClonalityMonoclonalOther NamesOther Namesinsulin-responsive; Glucose transporter GLUT 4; Glucose transporter type 4; Glucose transporter type 4; SLC2A4 ; Solutecarrier family 2 member 4;

lsotype	Rabbit IgG
Host	Rabbit
Calculated MW	54787 Da

Phospho-GLUT4 (S488) Antibody - Additional Information

Dilution	WB~~1:1000
Purification	Affinity-chromatography
Immunogen	A synthesized peptide derived from human Phospho-GLUT4 (S488)
Description	Insulin-regulated facilitative glucose
	transporter.
Storage Condition and Buffer	Rabbit IgG in phosphate buffered saline ,
	pH 7.4, 150mM NaCl, 0.02% sodium azide
	and 50% glycerol. Store at +4°C short
	term. Store at -20°C long term. Avoid
	freeze / thaw cycle.

Phospho-GLUT4 (S488) Antibody - Protein Information

Name SLC2A4 (HGNC:11009)

Function

Insulin-regulated facilitative glucose transporter, which plays a key role in removal of glucose from circulation. Response to insulin is regulated by its intracellular localization: in the absence of insulin, it is efficiently retained intracellularly within storage compartments in muscle and fat cells. Upon insulin stimulation, translocates from these compartments to the cell surface where it transports glucose from the extracellular milieu into the cell.

Cellular Location

Cell membrane {ECO:0000250|UniProtKB:P14142}; Multi-pass membrane protein {ECO:0000250|UniProtKB:P14142} Endomembrane system; Multi-pass membrane protein. Cytoplasm, perinuclear region {ECO:0000250|UniProtKB:P14142}. Note=Localizes primarily to the perinuclear region, undergoing continued recycling to the plasma membrane where it is rapidly

reinternalized (PubMed:8300557). The dileucine internalization motif is critical for intracellular sequestration (PubMed:8300557). Insulin stimulation induces translocation to the cell membrane (By similarity) {ECO:0000250|UniProtKB:P14142, ECO:0000269|PubMed:8300557}

Tissue Location Skeletal and cardiac muscles; brown and white fat.

Phospho-GLUT4 (S488) Antibody - Protocols

Provided below are standard protocols that you may find useful for product applications.

- <u>Western Blot</u>
- Blocking Peptides
- Dot Blot
- Immunohistochemistry
- Immunofluorescence
- Immunoprecipitation
- Flow Cytomety
- Cell Culture
